COR-1443

Copy 2 of 3

6 November 1961

**MEMORANDUM FOR THE RECORD**

**SUBJECT:** Concurrence in Amendment No. 1 to Contract No. HB-500 with ITTEK Laboratories, a Division of ITTEK Corporation, Boston, Mass., Project CORONA (NPIC and Air Force)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. HB-500 covers the procurement of repair and overhaul of exploitation equipment previously procured by DFD from ITTEK for use by the Agency, NPIC, and Air Force Intelligence Centers. Amendment No. 1 extends the period of performance to cover the current fiscal year and obligates funds transferred to DFD by NPIC.

3. Amendment No. 1 obligates [redacted] chargeable to NPIC Funds in FY 1962, Account No. 2155-1010-7000 per NPIC Memo dated 10 July 1961. Amendment No. 1 also transfers [redacted] of Air Force CORONA Funds obligated under the contract for work in FY 1961 to cover work in FY 1962. By concurrence to this memorandum, the Comptroller signifies that sufficient funds are available for this obligation, and funds have been adjusted as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.
